Enclosures:

No. D.1-2388/44 dated 10th September 1945.

Sir,

Sub: Industries - Sericulture - Filatures at Kollegal - Purchase of two portable steam engines No. P.W.S. 78 and 122 from the P.W. Department - Sanction - Requesting.

Two portable steam engines P.W.S. 78 and 122 were got on hire in December 1942 from the P.W. Department for use by the Silk Filatures at Kollegal. As these engines are permanently required now by this department either in the filatures or for the Paper units it is proposed to purchase them outright. The Superintending Engineer, Madras Circle--vide copy of letter dated 27-7-45 from the General Superintendent, P.W. Workshops enclosed--has sanctioned their sale and also agreed to set off hire charges paid by adjustment so far by this department against the purchase price of the engines. The balance amount which has to be paid towards the cost of these ~~machines~~ engines after deducting the hire charges adjusted

so far is Rs. 3707-8-0.

I request that Government may be pleased to sanction the purchase of these engines for the use of this Department at a cost not exceeding Rs. 3707-8-0. These engines will be used in the filatures as long as they are needed there and they will then be purchased back from the filatures for the use of the paper units in the department.
